PURVIUS REMONT ROSEBORO	)	JUDGMENT OF FORFEITURE

BASED UPON the Defendant's plea of guilty and finding that there is a nexus between the property listed below and the offense(s) to which the Defendant has pled guilty and that the Defendant (or any combination of Defendants in this case) has or had a possessory interest or other legal interest in the property, IT IS HEREBY ORDERED THAT:

1. The following property is forfeited to the United States pursuant to 21 U.S.C. § 853, and/or 28 U.S.C. § 2461(c), provided, however, that forfeiture of specific assets is subject to any and all third party petitions under 21 U.S.C. § 853(n), pending final adjudication herein:

2. The United States Marshals Service, the investigative agency, and/or the agency contractor is authorized to take possession and maintain custody of the above specific asset(s).

3. If and to the extent required by Fed. R. Crim. P. 32.2(b)(6), 21 U.S.C. § 853(n), and/or other applicable law, the United States shall publish notice and provide direct written notice of forfeiture.

4. Any person, other than the Defendant, asserting any legal interest in the property may, within thirty days of the publication of notice or the receipt of notice, whichever is earlier, petition the court for a hearing to adjudicate the validity of the alleged interest.

5. Pursuant to Fed. R. Crim. P. 32.2(b)(3), upon entry of this order, the United States Attorney's Office is authorized to conduct any discovery needed to identify, locate, or dispose of the property, including depositions, interrogatories, and request for production of documents, and to issue subpoenas pursuant to Fed. If no third party files a timely petition, this order shall become the final order of forfeiture, as provided by Fed. R. Crim. The parties stipulate and agree that the aforementioned asset(s) constitute property involved in or used in the offense(s) or that the aforementioned asset(s) constitute property derived from or property used in any manner to facilitate the commission of such offense(s) and are and
